**COMPLAINT FOR DAMAGES AND EQUITABLE RELIEF**  
**(w/Jury Demand Endorsed Hereon)**

Plaintiff, LELAND FOSTER, Individually, (sometimes referred to as “Plaintiff”), hereby sues the Defendant, MISTRINI, LLC, a Michigan Limited Liability Company, (sometimes referred to as “Defendant”), for Injunctive Relief, and attorney’s fees, litigation expenses, and costs pursuant to the Americans with Disabilities Act, 42 U.S.C. § 12181 et seq. (“ADA”).

**PARTIES**

1. Plaintiff, LELAND FOSTER, is an individual residing in Swanton, OH, in the County of Fulton.
2. Defendant’s property, SUPER 8 MOTEL OF SAGINAW is located at 4848 Towne Center Road, Saginaw, MI 48604 in SAGINAW County.

**JURISDICTION AND VENUE**

3. Count I is brought pursuant to the laws of the United States, therefore the Court has jurisdiction pursuant to 28 U.S.C. §1331. Count II utilizes the same core of operative fact, and is therefore subject to supplemental jurisdiction pursuant to 28 U.S.C. §1367.

4. Venue is properly located in the Eastern District of Michigan because venue lies in the judicial district of the property situs. The Defendant's property is located in and does business within this judicial district.
5. Pursuant to 28 U.S.C. § 1331 and 28 U.S.C. § 1343, this Court has been given original jurisdiction over actions which arise from the Defendant's violations of Title III of the Americans with Disabilities Act, 42 U.S.C. § 12181 et seq. See also 28 U.S.C. § 2201 and § 2202.
6. Plaintiff, LELAND FOSTER is an Ohio resident, is sui juris, and qualifies as an individual with disabilities as defined by the ADA. Leland Foster is an individual diagnosed with cerebral palsy and permanently uses a wheelchair for mobility. Additionally Leland Foster has difficulty grasping with his hands also as a result of his disability. Leland Foster frequents many establishments in the city of Saginaw and has visited and been a customer at the hotel which forms the basis of this lawsuit on May 30, 2013 in which he registered for a 3 night stay but terminated his accommodations early due to excessive barriers to access on the property, and also returned as a customer on March 31, 2014 after being advised over the telephone that the hotel renovated, and plans to return to the property to avail himself of the goods and services offered to the public at the property. The Plaintiff has encountered architectural barriers at the subject property. The barriers to access at the property have endangered his safety.
7. LELAND FOSTER is an avid adaptive sports enthusiast and participates regularly with the active Saginaw, Midland and Bay City adaptive sports community, including in local marathons, half marathons, hand cycle events and adaptive water skiing at the areas many lakes with the various local organizations and other enthusiasts in the community.

8. Completely independent of the personal desire to have access to this place of public accommodation free of illegal barriers to access, Plaintiff also acts as a "tester" for the purpose of discovering, encountering, and engaging discrimination against the disabled in public accommodations. When acting as a "tester," Plaintiff employs a routine practice. Plaintiff personally visits the public accommodation; engages all of the barriers to access, or at least all of those that Plaintiff is able to access; and tests all of those barriers to access to determine whether and the extent to which they are illegal barriers to access; proceeds with legal action to enjoin such discrimination; and subsequently returns to the premises to verify its compliance or non-compliance with the ADA and to otherwise use the public accommodation as members of the able-bodied community are able to do. Independent of other subsequent visits, Plaintiff also intends to visit the premises annually to verify its compliance or non-compliance with the ADA, and its maintenance of the accessible features of the premises. In this instance, Plaintiff, in Plaintiff's individual capacity and as a "tester," visited the Facility, encountered barriers to access at the Facility, and engaged and tested those barriers, suffered legal harm and legal injury, and will continue to suffer such harm and injury as a result of the illegal barriers to access and the ADA violations set forth herein.
9. Defendant owns, leases, leases to, or operates a place of public accommodation as defined by the ADA and the regulations implementing the ADA, 28 CFR 36.201(a) and 36.104. Defendant is responsible for complying with the obligations of the ADA. The place of public accommodation that the Defendant owns, operates, leases or leases to is known as SUPER 8 MOTEL OF SAGINAW is located at 4848 Towne Center Road, Saginaw, MI 48604.

10. LELAND FOSTER has a realistic, credible, existing and continuing threat of discrimination from the Defendant's non-compliance with the ADA with respect to this property as described but not necessarily limited to the allegations in paragraph 12 of this complaint. Plaintiff has reasonable grounds to believe that he will continue to be subjected to discrimination in violation of the ADA by the Defendant. LELAND FOSTER desires to visit SUPER 8 MOTEL OF SAGINAW not only to avail himself of the goods and services available at the property but to assure himself that this property is in compliance with the ADA so that he and others similarly situated will have full and equal enjoyment of the property without fear of discrimination.
11. The Defendant has discriminated against the individual Plaintiff by denying him access to, and full and equal enjoyment of, the goods, services, facilities, privileges, advantages and/or accommodations of the buildings, as prohibited by 42 U.S.C. § 12182 et seq.
12. The Defendant has discriminated, and is continuing to discriminate, against the Plaintiff in violation of the ADA by failing to, inter alia, have accessible facilities by January 26, 1992 (or January 26, 1993, if Defendant has 10 or fewer employees and gross receipts of \$500,000 or less). A preliminary inspection of Super 8 Motel of Saginaw has shown that violations exist. These violations include, but are not limited to:

- I. Sink apron does not allow for sufficient knee clearance in violation of the ADA whose remedy is readily achievable.
- J. Pipes are exposed and risk scalding and burning in violation of the ADA whose remedy is readily achievable.

Access to Goods and Services

- K. Registration counter exceed 37 inches in violation of the ADA whose remedy is readily achievable.

Policies and Procedure

- L. The operator lacks or has inadequate defined policies and procedures for the assistance of disabled patrons.

13. The discriminatory violations described in paragraph 12 are not an exclusive list of the Defendant's ADA violations. Plaintiff requires the inspection of the Defendant's place of public accommodation in order to photograph and measure all of the discriminatory acts violating the ADA and all of the barriers to access. The Plaintiff, has been denied access to, and has been denied the benefits of services, programs and activities of the Defendant's buildings and its facilities, and have otherwise been discriminated against and damaged by the Defendant because of the Defendant's ADA violations, as set forth above. The individual Plaintiff, and all others

similarly situated will continue to suffer such discrimination, injury and damage without the immediate relief provided by the ADA as requested herein. In order to remedy this discriminatory situation, the Plaintiff requires an inspection of the Defendant's place of public accommodation in order to determine all of the areas of non-compliance with the Americans with Disabilities Act.
